During the month of May, Chrysalis House will support, honor and recognize mothers in recovery. We will be hosting two separate events that will focus on women and their families. Please join us as we celebrate together!

“One Woman, One Day”

The Chrysalis House Board of Directors will host the 2nd Annual Chrysalis House Mother’s Day Luncheon on May 9, 2013 at the Chrysalis Community Center. This inspirational celebration honors all mothers and women in recovery who are in the process of building healthy families and interrupting the cycle of dependency.

Those of us who are touched by friends or family members with addiction challenges understand the impact it has on a family – parents, siblings, and even children. Perhaps your life would have been dramatically different if a program like Chrysalis House had been available to you or your family member.

Chrysalis House serves over 200 women and their families annually. $78 supports One Woman for One Day in the residential treatment facility at Chrysalis House. Our comprehensive treatment program addresses the multiple needs of substance dependent women and their families. Chrysalis House provides programs and services that are evidence-based and associated with successful treatment solutions. The services our women receive include employment, family support, integrated treatment for co-occurring disorders, physical healthcare, and so much more.

A donation of $78 is requested to attend the Mother’s Day Luncheon event. Purchase your tickets online at http://www.chrysalishouse.org/mothers-day-luncheon/.
